

RAVE08 Final program

Feb. 27, 2008

08:30 09:00

Registration

09:00 09:30

Welcome session (G. Ruffini, M. Slater, P. Verschure; Wolfgang Boch, FET Proactive Head of Unit)

Session 1 - Virtual Bodies, real experience

09:30 10:30

Keynote: Norm Badler

10:30 10:50

Reflections in a Virtual Mirror Influence Body Processing and Behaviour. M. Slater, ICREA-Universitat Politècnica de Catalunya

10:50 11:10

Bodily Responses towards a Virtual Woman. X. Pan, University College London

11:10 11:40

Coffee break - Posters Session 1

Session 2 - The relation between experience and virtual stimuli

11:40 12:00

RAVING Requires Plausibility and Immersion: A Virtual Fire Experiment. B. Spanlang, Universitat Politècnica de Catalunya

12:00 12:20

Constraints and conditions for Real Actions in VR. M. Reiner, Israel Institute of Technology

12:20 12:40

Walking Response in Virtual Reality. A. Antley, University College London

12:40 13:00

Minimal Cues for Presence in Immersive Virtual Environments. J. Jordan, University College London

13:00 14:00

Lunch Break - not covered by organization

Session 3 - Multi-modal sensor fusion and action in mixed reality

14:00 14:20

Design of an affective vocabulary for the eXperience Induction Machine. A. Väljamäe, Universitat Pompeu Fabra

14:20 14:40

Inducing functional neuronal reorganization through action observation. M.S. Cameirao, Universitat Pompeu Fabra

14:40 15:20

Interactive Story Telling in Mixed Reality Environments: An experimental approach. A. Mura, Universitat Pompeu Fabra

15:00 15:20

Speaker Localization from the Fusion of Binaural Hearing and Stereoscopic Vision. R. Horaud, INRIA

15:20 16:00

Coffee break - Posters Session 2

Session 4 - Direct brain control of virtual stimuli

16:00 16:20

Brain-Computer Interface for VR control. C. Guger, Guger Technologies OEG

16:20 16:40

Moving a Virtual Body by Thought. D. Perez-Marcos, Universidad Miguel Hernández

16:40 17:00

Multimodal Physiological Biometric Authentication. A. Riera, Starlab Barcelona S.L.

17:00 17:15

Small Break

Session 5 - Perception and the Body

17:15 18:15

Keynote: Andreas Engel

18:15 19:15

Keynote: Henrik Ehrsson

19:15 19:35

The Future of RAVE

19:35 21:00

Posters Session 3 and Music (Porta 16 and Orchestra Fireluche will play)

Final Program released: Feb. 21, 2008
