

THIRD PEACH WING CONSULTATION MEETING APPLICATION FORM

The **Peach Working Groups (WinGs) consultation meetings** are one-day events, where community members discuss with the Peach team the progress of the Peach Coordination Action (CA). The direct interaction with the community enhances the impact of the Peach activities, and is an excellent opportunity to gather the community opinions with regards the evolution of the different WinG activities.

The **3rd WinG** consultation meeting is organized in parallel with the Peach Science Fair. In collaboration with the Edinburgh Science Festival Peach (local organizer Napier University) is organizing the Peach Science Fair and the third Peach Working Groups (WinGs) consultation meeting. The Peach Science Fair will take place this 14th April 2009 and the Peach WinGs 3rd consultation meeting will take place at the same location on the 15th April 2009.

Special requests

Apply to Financial support details:

Financial support to cover travel expenses (flight/train/bus, 2 night hotel, lunch on the 15th and dinner on the 15th) will be provided to a limited number of attendees (there is a limited travel budget per attendee of 400€¹). First comes, first serves criteria combined with the Peach priority criteria will be applied. The Peach criteria is based on the participation of the community members in the Peach activities, thus those community members who have been pro-active from the beginning of the project until present will have higher priority.

Considering that there is a limited budget to support attendees those applying for financial support confirm their attendance to the full duration of the event (15th meeting and Peach Science Fair event on the 15th). If you cannot be present to the full duration of the event, you are not eligible to apply.
